BLACKPOOL

December 2017

Dear Host Families

2017 proved to be a much quieter year than previous years in Blackpool which may have been ideal to give super-busy Anne some time to recover and build herself back up so as to get her hands back on the reins! In the meantime we know David, and Anne's friends, were a great support both to her and the business and we are indeed very grateful.

As always we are keen to promote Blackpool both for Spring and Summer groups and we are pleased to say that we have had two mini-trips confirmed! We will be posting out renewal applications for 2018 towards the end of January as usual.

We would like to wish Anne, David, and all the Blackpool host families a wonderful Christmas and a happy New Year, and look forward to seeing you all soon,

Kindest Regards, Griff , Dave & Karen

Hello Everyone.

It's that time of year again already.

Firstly can I take this opportunity to thank everyone for the good wishes, cards and flowers following my recent illness. I am now well on the way to recovering.

Thank you all for being patient with my son David who stepped up to the plate when the mini trips arrived this year.

Dave , Karen and Griff have been working hard as usual to secure next years bookings. They have been speaking to new agencies.

We already have some dates for the mini trips—please see below! I will contact you all when I get more details.

I hope you all have a wonderful Christmas .

A Happy New Year to you all.

I hope to see you all next year.

Best Wishes

Anne.
