## Dear Host Families

Well, another year has flown by and we are here wishing you all a very happy Christmas again!

We would like to thank you all for all your help and commitment to hosting students once again from France, Spain and Italy in Liverpool this year. We are especially grateful to all the families who remain loyal to us all year long. We know we are only a small company in a big City and it is so reassuring that when a host family say they will host for us in July they then stay true to their word. We already have bookings for Italian students in July, and the Spanish students had such a great time that their teacher will be starting bookings in the new year. The mini-trips are also very popular in 2018 and Jenny will be contacting you all as soon as she gets the detail of the groups. We try to keep up to date with our website, showing any latest information and programmes etc. And Jenny also works hard to keep in touch with you all by e-mails and Facebook, and we hope you find this useful. Remember you can always contact us direct at

We will post out renewal forms in January so please return them as soon as you can and we look forward to seeing you all again very soon.

*kindest Regards, Dave, Karen, & Griff*

To all my Host Families,

I would personally like to say a big thank you to all my host families for all your help and support in the past year! I couldn't do it without you.

Once again, I will be organising some coffee mornings in the new year, as an opportunity to catch up with me and other host families. 2018 promises to be a busy one, as you will see from the dates below, and so it will be really helpful to us if you could complete and return your renewal form with your availability dates as soon as you can in January.

In closing, I would like to wish you, and your family, a very peaceful Christmas and a very happy new year. See you all in 2018!

Jenny xx
